INVITATION

We are pleased to invite you to participate in the
XVII International Symposium
“ROAD ACCIDENTS PREVENTION 2026”

which will be held in **Novi Sad, Serbia, on 14 - 15 October 2026.**

The Symposium is organized by:

- Faculty of Technical Sciences, University of Novi Sad;
- Faculty of Traffic and Transport Engineering, University of Belgrade;
- University of Criminal Investigation and Police Studies, Zemun;
- Road Traffic Safety Agency, Republic of Serbia;
- Serbian Road Safety Association.

with the support of other international, regional, and national institutions.

BACKGROUND AND SCOPE

Road safety is a concern for all of us. Improvements in road safety can be successfully achieved only if all relevant stakeholders, organizations, and individuals address the issue simultaneously and with maximum effort. This Symposium is the seventeenth in a series of road safety symposia that began in 1990. The main objective of the Symposium is to achieve more efficient road safety management and the effective use of road safety resources.

In line with contributing to the [Global Plan for the Decade of Action for Road Safety 2021-2030](#), main themes and topics of the symposium are:

ROAD SAFETY MANAGEMENT

- Safe System Approach -

1. Multimodal transport and land-use planning
2. Safe road infrastructure
3. Safe road use
4. Safe vehicles
5. Post-crash response
